

Stephanie W. Bergeron, MBA
President, Chief Executive Officer

Stephanie W. Bergeron became the sixth president and chief executive officer of Walsh College on January 10, 2007, after serving as interim president since September 2006.

She has served the College as a trustee (1996); chair of the Academic Committee (2005); and a director of The Walsh College Foundation (2004).

After earning a Bachelor of Business Administration degree in accounting from The University of Michigan in 1975, Bergeron worked as a senior accountant for Arthur Andersen. In 1977, she began a 25-year career in finance with General Motors, Chrysler, and Goodyear Tire and Rubber Company.

Bergeron held various accounting and financial control positions at General Motors for 11 years until joining the Chrysler Corporation in 1988 as general auditor. At Chrysler, she also served as manufacturing group controller; finance director; and assistant treasurer in Corporate Finance.

Bergeron was with Goodyear Tire and Rubber from 1998 until 2003 as vice president; treasurer; and senior vice president, Corporate Financial Operations, responsible for corporate finance, accounting, tax, and treasury. She subsequently joined Bluepoint Partners, a consulting company providing advice on financial and capital structure, as president and chief executive officer.

Bergeron earned a Master of Business Administration degree from the University of Detroit in 1981. She is a registered certified public accountant.

Bergeron serves on the boards of the American Association of Presidents of Independent Colleges and Universities; the Henry Ford Health System; the Detroit Economic Club; The Collaborative; the Troy Chamber of Commerce, Sun Communities, Inc.; the Michigan Association of Certified Public Accountants; Rose Hill Center; and Rose Hill Foundation. She is also a member of the City of Troy Local Development Finance Authority; the Oakland County Workforce Development Committee; and the Financial Executives Institute.

Crain's Detroit Business named Bergeron one of its "Most Influential Women" in 1997 and in 2007.
